The cable car to Renon/Ritten

Information

Info mobilità Alto Adige
840 000 471

The Mobilcard enables you to travel the length and breadth of South Tyrol using public transport.

Trains, buses and cable cars forming part of the local public transport association can be used without restrictions if you avail yourself of the Mobilcard.

Public transport in this sense includes regional trains (not Intercity) as far as Trento, all cable cars to Maranza/Meransen, San Genesio/Jenesien, Meltina/Mölten and Verano/Vöran, the narrow-track railway on the Renon/Ritten mountain and the Mendola/Mendel cable railway. Only private cable cars and gondola lifts are not included.

The Mobilcard is available as a weekly pass (18 euro) or as a three-day pass (13 euro). The latter can be used on three consecutive days.
